

Mariam Kvirkviia

Junior Front End Developer

Having completed several Udemy courses and SheCodes workshops such as [Responsive Web Development](#), [React Development](#), I have gained some valuable coding skills and improved my analytical thinking. With the job in the future, I want to develop and deepen my knowledge of Frontend Development.

Soft skills:

- Good organizational and communication skills.
- A responsible and organized person with a constant drive to learn, research and share my expertise.
- Problem-solving and results-oriented person.
- Team player.
